

“Now here’s a likkle truth, open up your eye  
While you’re checkin’ out the boom-bap, check the exercise  
Take the word overseer, like a sample  
Repeat it very quickly in a crew, for example  
Overseer, overseer, overseer, overseer  
Officer, officer, officer, officer  
Yeah, officer from overseer  
You need a little clarity? Check the similarity!  
The overseer rode around the plantation  
The officer is off, patrollin’ all the nation  
The overseer could stop you, “What you’re doing?”  
The officer will pull you over just when he’s pursuing  
The overseer had the right to get ill  
And if you fought back, the overseer had the right to kill  
The officer has the right to arrest  
And if you fight back they put a hole in your chest  
(Woop!) They both ride horses  
After 400 years, I’ve got no choices  
The police them have a likkle gun  
So when I’m on the streets, I walk around with a bigger one  
(Woop-woop!) I hear it all day  
Just so they can run the light and be upon their way”
